

## DORIS SEEDORF

CHIEF CORPORATE DEVELOPMENT OFFICER

As Chief Corporate Development Officer, Doris faces the challenge of consolidating current operations and opening new opportunities for growth to within the continent.

During her more than 30 years of experience in the IT industry, she has contributed to the creation of offerings and services that today form part of the organization's great achievements.

Doris started her career in Softtek 30 years ago, and has served in different roles including Project Leader, Director of Business Units, Sales Director for the Mexican market, and Business Partner.

Her visionary capacity and her commitment to set objectives that are increasingly ambitious, have transformed her into a great leader and have helped extend her influential mark not only in Spain—where she is based—but to many other regions where Softtek operates. Doris holds a degree in Cybernetics Engineering and Computer Sciences from Universidad la Salle, in Mexico City.
